

# Punta Cana

In 1492 Christopher Columbus touched the coast of an island he called Hispaniola and discovered in its inhabitants an Indian unknown race called Taínos – meaning *good* or *noble* in the Arawac language.

That same culture of hospitality and friendliness continues to exist today in an island that is fast becoming the most popular beach and recreation destination in the Caribbean.

### Message from the President

February 2010 is just around the corner, and along with it comes Maryland's cold, snow, ice and early darkness. But one constant reprieve is the MSBA Mid-Year Meeting. This year (February 20-27, 2010) it will be held in Punta Cana, Dominican Republic at the luxurious Majestic Colonial Resort. This is a five star all inclusive jewel where junior suites with Jacuzzis are standard.

Punta Cana is an oasis in the Caribbean. Spectacular beaches, clear blue water and endless recreational opportunities abound, including world class golf, tennis (lighted courts on site), fishing, snorkeling, diving, sailing, etc. It is also perfect for those who just want to relax.

All MSBA members, their family and friends are encouraged to join us for this great getaway. The all inclusive experience at the Majestic Colonial Resort includes 7 fabulous restaurants, 9 bars, nightly entertainment, spa, casino, the perfect setting for relaxation, outstanding legal education and, of course, camaraderie.
